If you *1 Peter Bible Study Guide* value it too excessive in comparison along with your competitors, you'll discover yourself steadily decreasing the worth, which is able to cause you all kinds of new issues within the future.

Selecting the best value in your **1 Peter Bible Study Guide** e-book is among the most important components of the marketing process. The first rule of pricing ebooks is to never underprice. Decide the highest worth your audience can afford, after which in the event you find your e-book isn't selling, you may at all times reduce the price. Earlier than you take that step, be sure to be promoting your 1 Peter Bible Study Guide guide like loopy on the Internet and on websites. The worth must be aimed at bringing in income, but you should never neglect that value is likely one of the factors that individuals use in judging the value of your *1 Peter Bible Study Guide* book? earlier than they buy it. So at all times start with the best price, and then launch a mega-advertising campaign.

Pricing an e-book is particularly tough because ebooks are a reasonably new commodity. Since they're digital, the value of an ebook is as confusing as the understanding of what digital truly is to the

common layperson. Which means that we should take a look at ebooks in a special light so as to determine their precise value on this brave, new cyber world.

Let's take a look at the difference between a e-book in print and an ebook. A printed e-book is an object you can maintain in your hand, retailer on your bookshelf, even hand down to the subsequent generation. It's priced on factors such as paper stock, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books that have the ability to alter, or presumably remodel, folks's lives.

What do you suppose an thought is worth when evaluated against the price of paper and ink?

It is the IDEAS which might be invaluable! That's the way you decide the cost of your ebook.

What should I charge for my ideas?

There are all completely different formulas and strategies for figuring out the right price in your ebook. Let's start with honing in on your ultimate goals.

Determine if your objective is to get wide distribution and most exposure. This purpose is aimed at drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If that is your most important goal, you must aim to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. The bottom line is to find a worth that maximizes your income and the variety of books you sell.

This is an excellent pricing technique in case you are looking to purchase long-time period customers. Long-time period clients are extremely probably to purchase from you once more and again ? so long as the primary e-book they purchase is of exceptional quality and useful to the customer.

Nonetheless, in case your ebook incorporates worthwhile ? and more importantly NEW data, references, or techniques ? then you need to purpose to cost it on the high end.

After you figure out your goal, you need to determine what your audience's need is in your ebook. For instance, does your e book clear up a particular problem? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you can be in a position to obtain excessive sales at a excessive price. In case your guide solves an issue or answers questions in a

new and distinctive manner, you must value your ebook as high as you possibly can go. You'll obtain larger income this manner, however bring in fewer customers. Just be sure that the question or downside that your book solves is one that is important and related to nearly all of your market audience. If your ideas will not be common knowledge, or you're presenting a brand new technique, you will be able to sell books at a high price. Simply be ready to your competitors to undercut you on price as quickly as they hear about your book.

Needless to say the above pricing strategy is temporary. Finally, you'll cease to promote books at this excessive price. So work out prematurely how lengthy you plan to offer your book at this high value, and when that time is up, change your pricing strategy.

If you wish to see large earnings over customer draw, aim for an audience that is on the lookout for easy options to their problems at a low price. If your ebook is aimed toward solving one particular problem rather than basic advice, then you possibly can charge more. Start at the highest worth the market will bear to usher in the largest profits, and plan to low cost the ebook a number of instances throughout the year.

Marketing Methods

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your book solutions and the advantages your ebook can provide. Then remember to use that sentence in each piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from selling your books assiduously online, there are several other methods that may make it easier to promote more books.

One is to give one thing away at no cost along with your e-book, comparable to a valuable bonus item. Or bundle several ebooks beneath one worth, which lowers the worth for every ebook in the event that they have been offered separately.

An effective approach for figuring out a price is to send out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new e book, however do not embody a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure your sales copy is precisely the same on every

page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum worth is.

Finally, if you've written a guide that solves a problem or presents a new method, your e book will herald both site visitors and profits. So make sure to write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your *1 Peter Bible Study Guide* e-book will probably be to the shoppers who purchase it. And then watch your market come to you!
