As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is precisely the

similar on each web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.
