When you *Holt Mcdougal Biology Study Guide* price it too high in comparison along with your competition, you'll discover your self steadily lowering the price, which is able to cause you all kinds of new problems in the future.

Selecting the best price to your **Holt Mcdougal Biology Study Guide** e-book is among the most critical elements of the marketing process. The first rule of pricing ebooks is to by no means underprice. Determine the best price your viewers can afford, and then in case you discover your guide isn't selling, you possibly can at all times reduce the price. Before you're taking that step, make sure you are promoting your Holt Mcdougal Biology Study Guide guide like crazy on the Web and on websites. The worth needs to be aimed toward bringing in profits, but it is best to never forget that price is likely one of the elements that individuals use in judging the value of your *Holt Mcdougal Biology Study Guide* book ? earlier than they buy it. So always begin with the highest worth, and then launch a mega-advertising campaign.

Pricing an book is particularly difficult because ebooks are a reasonably new commodity. Since they

are digital, the value of an e book is as complicated as the understanding of what digital truly is to the common layperson. Because of this we should take a look at ebooks in a different mild in an effort to determine their precise worth in this brave, new cyber world.

Let us take a look at the difference between a ebook in print and an ebook. A printed e book is an object you possibly can hold in your hand, retailer in your bookshelf, even hand down to the next generation. It is priced on factors such as paper inventory, design and production prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books that have the ability to change, or probably transform, individuals's lives.

What do you assume an idea is value when evaluated against the cost of paper and ink?

It is the IDEAS which might be priceless! That's how you determine the cost of your ebook.

What should I cost for my ideas?

There are all totally different formulas and strategies for figuring out the right worth in your ebook. Let's begin with honing in on your final goals.

Determine if your objective is to get wide distribution and maximum exposure. This objective is aimed at drawing customers to your online business or service, or to establishing the credibility of your reputation. If this is your primary purpose, you need to purpose to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract a high variety of new customers. The bottom line is to discover a worth that maximizes your earnings and the number of books you sell.

This is a wonderful pricing strategy if you're looking to purchase long-time period customers. Long-term customers are extraordinarily likely to buy from you once more and again ? so long as the primary e-book they buy is of distinctive high quality and beneficial to the customer.

Nonetheless, if your guide contains worthwhile ? and extra importantly NEW data, references, or strategies ? then you need to aim to cost it on the high end.

After you determine your purpose, you have to figure out what your audience's need is to your ebook. For instance, does your book remedy a particular drawback? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you'll be in a position to obtain high sales

at a high price. If your guide solves a problem or solutions questions in a new and unique method, you should worth your guide as excessive as you'll be able to go. You'll obtain bigger earnings this manner, but bring in fewer customers. Just ensure that the question or drawback that your e-book solves is one which is vital and relevant to nearly all of your market audience. If your ideas are usually not frequent information, or you might be presenting a brand new method, you will be able to sell books at a excessive price. Simply be prepared for your competitors to undercut you on value as quickly as they hear about your book.

Keep in mind that the above pricing technique is temporary. Finally, you will cease to promote books at this excessive price. So figure out in advance how long you plan to offer your e book at this excessive value, and when that time is up, change your pricing strategy.

If you want to see large profits over buyer draw, intention for an audience that is looking for simple options to their issues at a low price. If your ebook is aimed toward fixing one particular problem moderately than common advice, then you possibly can cost more. Start on the highest value the market will bear to usher in the largest profits, and plan to discount the ebook a variety of occasions all through the year.

Advertising and marketing Strategies

The important thing that unlocks the gross sales potential of your e book is to find a single sentence that becomes your promoting handle. This sentence states what question or drawback your e book solutions and the advantages your ebook can provide. Then remember to use that sentence in

every piece of sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are a number of different strategies that can enable you sell extra books.

One is to offer something away totally free along with your e-book, equivalent to a invaluable bonus item. Or bundle several ebooks underneath one price, which lowers the price for every ebook if they have been sold separately.

An efficient technique for figuring out a price is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the brand new e book, but do not include a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the similar on each web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.

In the end, when you've written a e-book that solves a downside or presents a brand new method, your e book will herald both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what drawback your guide solves and what the advantages of your *Holt Mcdougal Biology Study Guide* e-book shall be to the purchasers who purchase it. And then watch your market come to you!
