

## Oracle University Study Guide

How you can Value Your **Oracle University Study Guide** eBook

You've got written and compiled an **Oracle University Study Guide** ebook. Now it's a must to decide how much to charge for it. Finding the right value is essential to the success of your product. If you charge too little Oracle University Study Guide, individuals will suppose it is of little worth, and they will not purchase it, and even if they do buy your guide, you'll have to sell thousands of copies to get to the point where you possibly can begin to see a profit. Should you *Oracle University Study Guide* worth it too excessive when put next with your competitors, you can see yourself steadily lowering the value, which can trigger you every kind of new problems in the future.

Choosing the right price for your **Oracle University Study Guide** e-book is one of the most critical components of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Determine the very best worth your audience can afford, and then in case you find your e-book isn't selling, you may at all times reduce the price. Earlier than you're taking that step, ensure you are promoting your Oracle University Study Guide e book like loopy on the Internet and on websites. The value needs to be aimed toward bringing in profits, however it is best to never neglect that price is among the elements that people use in judging the value of your *Oracle University Study Guide* ebook ? earlier than they buy it. So all the time start with the very best value, and then launch a mega-marketing campaign.

Pricing an book is particularly tough because ebooks are a reasonably new commodity. Since they are

digital, the worth of an e-book is as confusing as the understanding of what digital actually is to the average layperson. Because of this we must take a look at ebooks in a distinct gentle with a view to decide their actual price in this courageous, new cyber world.

Let's take a look at the distinction between a guide in print and an ebook. A printed e-book is an object you may maintain in your hand, store on your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper inventory, design and production prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books that have the ability to change, or probably transform, people's lives.

What do you suppose an idea is worth when evaluated towards the price of paper and ink?

It is the IDEAS which are precious! That is the way you decide the price of your ebook.

What ought to I charge for my concepts?

There are all totally different formulas and methods for figuring out the proper worth for your ebook. Let's start with honing in in your ultimate goals.

Decide if your objective is to get wide distribution and most exposure. This objective is geared toward drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If this is your important goal, you should intention to maintain your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high variety of new customers. The hot button is to discover a worth that maximizes your earnings and the variety of books you sell.

This is an excellent pricing strategy in case you are trying to acquire long-time period customers. Long-term clients are extremely probably to buy from you once more and again ? so long as the primary e book they buy is of exceptional high quality and useful to the customer.

Nevertheless, if your book contains useful ? and more importantly NEW data, references, or strategies ? then it's best to goal to price it on the excessive end.

After you determine your objective, you must determine what your audience's want is to your ebook. For example, does your e book solve a selected drawback? If it does, and solves it in a way that hasn't been written about in one hundred different ebooks, you can be capable of obtain excessive

gross sales at a excessive price. If your ebook solves an issue or solutions questions in a new and unique way, you must price your e-book as excessive as you possibly can go. You'll obtain bigger income this way, however usher in fewer customers. Simply make certain the query or problem that your book solves is one which is necessary and related to the majority of your market audience. If your ideas are not frequent data, or you might be presenting a brand new technique, you will be able to promote books at a excessive price. Simply be ready in your competition to undercut you on price as quickly as they hear about your book.

Remember that the above pricing technique is temporary. Ultimately, you will stop to promote books at this excessive price. So figure out upfront how long you plan to offer your e book at this high worth, and when that point is up, change your pricing strategy.

If you wish to see giant earnings over customer draw, intention for an audience that is searching for straightforward solutions to their issues at a low price. If your e book is geared toward fixing one particular problem relatively than common advice, then you can charge more. Start at the highest worth the market will bear to herald the largest earnings, and plan to low cost the e book a number of instances throughout the year.

## Advertising Methods

The important thing that unlocks the sales potential of your e-book is to find a single sentence that turns into your promoting handle. This sentence states what question or downside your guide answers and the advantages your e book can provide. Then remember to use that sentence in every

piece of sales and promotional material, and every time anybody asks you about your ebook.

Besides selling your books assiduously online, there are a number of other methods that can enable you promote more books.

One is to give something away without spending a dime along with your e-book, such as a invaluable bonus item. Or bundle several ebooks underneath one worth, which lowers the worth for every e-book if they were bought separately.

An effective approach for determining a price is to ship out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a sales web page for the new book, but do not include a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on every page. Be sure that your gross sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

Finally, when you've written a guide that solves a problem or presents a new technique, your e book will bring in both traffic and profits. So be sure you write that selling-deal with sentence that sums up what drawback your e-book solves and what the advantages of your *Oracle University Study Guide* ebook will be to the shoppers who purchase it. And then watch your market come to you!
