One other technique is to test out prices by creating a variety of duplicate gross sales pages with different prices on each page. Be sure that your gross sales copy is strictly the similar on every page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a e book that solves a downside or presents a brand new approach, your e book will bring in both traffic and profits.
