An efficient approach for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the new ebook, however do not embody a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with different prices on each page. Make certain your sales copy is precisely the similar on each page,

and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum worth is.

In the end, if you've written a guide that solves a problem or presents a new approach, your guide will bring in both visitors and profits.
