An effective method for determining a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the brand new ebook, however do not embody a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is precisely the

identical on each page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum worth is.

Finally, in case you've written a ebook that solves a drawback or presents a brand new method, your ebook will bring in both visitors and profits.
