A printed book is an object you can maintain in your hand, store in your bookshelf, even hand down to the subsequent generation. It is priced on components such as paper stock, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the concepts in these books which have the ability to vary, or possibly rework, people's lives.

Start at the highest price the market will bear to bring in the largest earnings, and plan to discount the book a variety of times throughout the year.
