Do this by making a gross sales web page for the brand new e-book, but do not include a price on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make certain your sales copy is exactly the same on each

page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, should you've written a book that solves a problem or presents a brand new method, your guide will bring in both site visitors and profits.
