Advertising Methods

The important thing that unlocks the sales potential of your book is to discover a single sentence that turns into your promoting handle. One other technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make certain your gross sales copy is exactly the similar on each page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a ebook that solves a downside or presents a brand new

approach, your e-book will bring in each site visitors and profits.
