Another strategy is to test out costs by making a number of duplicate gross sales pages with different costs on every page. Make certain your sales copy is strictly the similar on every web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum price is.

In the end, in case you've written a e-book that solves a drawback or presents a brand new

technique, your guide will bring in both site visitors and profits. So make sure to write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your 200 e-book will likely be to the customers who buy it. After which watch your market come to you!
