As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is exactly the

similar on every web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum worth is.
