An effective approach for determining a value is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by creating a sales web page for the new e book, however do not embrace a worth on that page. every page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum worth is.
