Do this by making a sales page for the brand new book, however do not embrace a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Ensure your sales copy is exactly the identical on every

page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.

Ultimately, when you've written a e-book that solves a drawback or presents a brand new technique, your guide will herald both traffic and profits.
