An effective approach for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a sales page for the brand new e-book, however do not embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be sure that your sales copy is exactly the identical on every page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

In the end, when you've written a guide that solves a problem or presents a new method, your e book will herald both visitors and profits. So make sure to write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your 2499 e book will be to the customers who purchase it.
