If these customers have already purchased an e book from you, ask for their opinion in terms of price. Do this by making a sales page for the new guide, but don't include a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different prices on each page. Be certain that your gross sales copy is strictly the identical on

each web page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum worth is.

Ultimately, if you've written a book that solves a drawback or presents a brand new approach, your ebook will herald each site visitors and profits.
