One is to offer one thing away at no cost along with your ebook, corresponding to a precious bonus item. Or bundle several ebooks underneath one worth, which lowers the value for every e book if they have been sold separately.

An effective technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new guide, however don't embrace a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is exactly the same on each page,

and consists of your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum value is.

In the end, in case you've written a ebook that solves a drawback or presents a new approach, your e-book will herald both visitors and profits.
