Then you should definitely use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are a number of other methods that may help you promote more books.

An effective approach for determining a value is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new ebook, however don't embrace a worth on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Make sure that your sales copy is exactly the same on each page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in case you've written a book that solves a downside or presents a brand new approach, your

guide will herald each traffic and profits. So remember to write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your 630 book might be to the purchasers who buy it. After which watch your market come to you!
