An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the new guide, however do not embrace a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is strictly the identical on each page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.

In the end, in the event you've written a e book that solves a problem or presents a new method, your guide will usher in each site visitors and profits.
