An efficient approach for determining a value is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do this by making a gross sales web page for the brand new ebook, but don't embrace a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different prices on each page. Ensure that your sales copy is exactly the same on every web page,

and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.

Ultimately, should you've written a e book that solves a problem or presents a brand new method, your e-book will herald both traffic and profits. So you'll want to write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 829 book can be to the shoppers who purchase it.
