If that is your primary purpose, you should aim to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The key is to discover a worth that maximizes your income and the number of books you sell.

This is an excellent pricing strategy if you're seeking to acquire lengthy-term customers. Lengthy-time period clients are extremely probably to purchase from you once more and once more ? as long as the first e-book they buy is of exceptional quality and helpful to the customer.

Nonetheless, if your e-book incorporates worthwhile ? and extra importantly NEW data, references, or strategies ? then it is best to purpose to cost it on the excessive end.

After you determine your purpose, you have to work out what your viewers's need is in your ebook. For example, does your book clear up a selected downside? If it does, and solves it in a manner that hasn't been written about in one hundred other ebooks, you'll be in a position to obtain high gross

Advertising and marketing Methods

The key that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your selling handle. This sentence states what question or problem your e-book solutions and the advantages your book can provide. Then make sure you use that sentence in each piece of gross

sales and promotional materials, and each time anybody asks you about your ebook.

An effective approach for determining a worth is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new e-book, but don't embrace a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Make sure your sales copy is strictly the same on each web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

Finally, when you've written a book that solves a problem or presents a brand new approach, your e-book will herald each site visitors and profits.
